## Hello, Sailor

A distinctive fusion of neatly squared edges and sweeping curves, **Sailor** never fails to pass inspection. Ideally suited to service in a reception area or as a side chair, **Sailor** has a tubular steel frame, upholstered seat and beechwood backrest. There are single- and double-cushion **Sailor** chairs, with frames in a choice of natural silver or black powder coat finish.

## > Features

Laminated beechwood backrest, contoured to provide comfort and support

Choice of single or double upholstered foam cushions

Durable tubular steel frame with powder coat finish

1.

2.

3.

A double-cushion **Sailor** ottoman ably assists the **Sailor** chair. Ottomans and chairs report for double duty in fabric or leather upholstery.

Details shown above:

1. Double-cushion chair (P6010)
2. Double-cushion chair (P6010), ottoman (P6020)
3. Contoured backrest
